Summary of reasons for decision:

The image file depicts a partially nude young teenage girl taking a non-sexualised photo of herself with a camera. The image does not deal with any of the subject matter gateway criteria under s3(1) of the Films, Videos, and Publications Classification Act 1993, nor does it deal with anything under s3A or s3B of that Act. It must therefore be classified as unrestricted. The unrestricted classification is consistent with the right to freedom of expression contained in the New Zealand Bill of Rights Act 1990.
